Milan News

Off to Milan once again, we arrived to dark skies and driving rain. However, when we emerged from the halls to blue skies at 6pm, the tone was set for a glorious few days of products, parties and pizza! Here is a taster of more to come.

Guest peninsula unit, with armchair from LaCividina, also available as a chaise, or modular unit for large reception or Hotel lounge areas; simply elegant.

Kalm swivel chair from Artifort. More comfortable and softer than many similar chairs, designed by Patrick Norguet, available in a wide range of fabrics or leather, including a new Kvadrat collection exclusive to Artifort at a very attractive price.
